September Social Breakfast

Please join us for our monthly social breakfast! Whether you are new in town or have lived here forever, come and enjoy a casual meal and conversation with a small group of fellow alumni.

The primary purpose of these events is socializing rather than intense networking. Of course, we fully expect that in the course of normal interactions at our gatherings, people will talk about their professions and that networking will occur, and we think that's perfect.

Wednesday, September 10
7:30 a.m.
